You rock so, you rock so. Like you never did before
You tip so, you tip so 'til you tip through my door
You skank so, you skank so. Oh yeah
You come so, you come so. Come alive today, yeah

Lively up yourself! And don't be no drag
Lively up yourself Oh, reggae is another bag
Lively up yourself, And don't say: "No"
Lively up yourself, 'cause I said so.

[Verse 2]

What you got that I don't know
I'm a tryin' to wonder, wonder why you, wonder, wonder why
you act so, **Lively up yourself!** And don't be no drag
Lively up yourself Oh, reggae is another bag
